## Synopsis

This is a simple yet profoundly moving love story. Munwoong and Sooyoung, upon their first meeting, instantly knew they were meant for each other. Though inseparable, fate pulled them apart. After many twists and turns, they reunite and marry, but the road of marriage brings its own challenges. Amidst both joy and hardship, Sooyoung's vision begins to fade, with the light slowly slipping away. Yet together, they overcome every obstacle. As the years pass, they remain true to the love they vowed in their youth. Let us reverse the flow of time and relive Munwoong and Sooyoung's lifetime of love, one step at a time.

## **Activa Productions**

Activa Productions, founded in 2021 by Wuming Chen and Hsiaoli Wu, is a Taiwanese production company specializing in transforming intellectual properties from performing arts into commercial applications, focusing on musical theatre, stage productions, vocal performances, and other performance arts. Their aim is to develop innovative business models for the Mandarin-speaking market, expanding across live performances, online content, and film production.

One of their major achievements from 2021 to 2024 was the Taiwanese adaptation of the Off-Broadway musical *I LOVE YOU, YOU'RE PERFECT, NOW CHANGE* (referred to as "LPC"). This production ran for over 300 performances at the PLAYground Theater in Taipei, setting a milestone in Taiwan's performing arts industry and reshaping the strategy for long-running musical productions.

Other key productions by Activa Productions include adapting Broadway's rock musical *NEXT TO NORMAL* to Taiwan's National Taichung Theater in 2023, and the short web series *THE NON-READING CLUB*, which was nominated for Best Short Drama and Best Newcomer at the 2021 Busan International Film Festival. Additionally, they produced the Mandarin dubbing for "Le Bal de Paris de Blanca Li" during the 2023 Taiwan International Arts Festival. Their efforts extend to co-producing the New Taipei City Musical Festival and overseeing the Taiwanese leg of the 10th-anniversary tour of *TITANIC THE MUSICAL*.

---

## **House Peace**

Established in 2018, House Peace was founded by a group of professional theatre workers with their specialties including directing, acting, set design, lighting design, costume design, and different kinds of visual arts.

We are an art laboratory combining theatre and various elements for exhibitions and productions.

Focusing on the possibilities between theatre and space, we believe that our creative ideas will lead to multiple productions.
